

Day 4— Schloss Roxburghe to Moffat

Please use this turn-by-turn guide in conjunction with your route map. Any major turn will be highlighted in these notes. If no note is listed for a turning, go straight on—especially roundabouts in larger towns, please proceed straight through unless otherwise noted. Distance for the section following each direction is noted in brackets below it.

FUEL—Fuel stations along the route are detailed on the **last page** of these notes—please fill when required as gaps between stations can be larger in the Highlands.
